the specification of which is attached hereto. If not attached hereto,

the specification was filed on \_\_\_\_\_ as  
 United States Application Number \_\_\_\_\_;  
 and amended on \_\_\_\_\_ (if applicable); and/or  
 the specification was filed on \_\_\_\_\_ as PCT  
 International Application Number \_\_\_\_\_; and was  
 amended under PCT Article 19 on \_\_\_\_\_ (if applicable)

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as  
 amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in Title 37, Code of Federal Regulations,  
 §1.56.

I do not know and do not believe the same was ever known or used in the United States of America before my or our invention  
 thereof, or patented or described in any printed publication in any country before my or our invention thereof or more than one year prior to  
 this application, that the same was not in public use or on sale in the United States of America more than one year prior to this  
 application, that the invention has not been patented or made the subject of an inventor's certificate issued before the date of this  
 application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns  
 more than twelve months (six months for designs) prior to this application, and that no application for patent or inventor's certificate on  
 this invention has been filed in any country foreign to the United States of America prior to this application by me or my legal representatives  
 or assigns, except as follows.

I hereby claim foreign priority benefits under Title 35, United States Code, §119 (a)-(d) of any foreign application(s) for patent or  
 inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a  
 filing date before that of the application on which priority is claimed:
